

StudentsAlternative Education Programs or Plans For Expelled Students

In the event action is being taken to expel a student from this school district, the Administration shall select one of the following described educational options to be made available to the expelled student during the period of expulsion, to-wit: (1) An alternative school, class, or educational program (hereinafter referred to as an "alternative program"); or (2) The development of a plan of behavior modification, educational objects, and financial resources and community programs available to meet the behavioral and educational objects, and monthly reviews to assess the student's progress toward meeting the specified goals and objects. The superintendent or superintendent's designee shall make known to the expelled student which of the alternative educational options the administration has selected for the student's expulsion. Such information shall be made known to the expelled student on or before the date the expulsion becomes effective. An expulsion becomes effective, as to a student who has been given a written notice of a recommendation to expel, on the earliest of the following dates: (1) if the student, parent, or guardian has not requested a hearing, the sixth school day following receipt of the notice of the recommendation to expel, (2) if the student has requested a hearing, the date the student, parent, or guardian receives notice of the determination of the superintendent or superintendent's designee to expel the student, or (3) such other date as may be mutually agreed by the student, parent, or guardian and the administration.

**A. ALTERNATIVE EDUCATION PROGRAM:**

The approved alternative programs are: (1) community-based programs, (2) home-based programs, (3) specialized tutorial experiences, and (4) distance-learning. The Board of Education may, from time to time, approve other alternative programs and may approve specific alternative programs and may enter into contracts for the provision of such specific alternative programs. To the extent that the alternative programs are to be provided on-site, the individuals responsible for providing such on-site alternative program shall hold a valid Nebraska Teaching or Administrative Certificate. To the extent that the alternative program is to be community-based or off-site, such alternative program shall be planned in cooperation with and monitored or supervised by a school district staff member who holds a Nebraska Teaching or Administrative Certificate. Alternative programs may be conducted at times other than the regular school day.

The superintendent or superintendent's designee shall determine which alternative programs shall be made available to each specific expelled student based on a consideration of the interests of the school district and the student's educational and behavioral objectives and needs, as determined in the discretion of the superintendent or the superintendent's designee. If a parent or guardian refuses to participate or have their expelled child participate in the alternative programs made available, the district shall have no further obligation with regard to the provision of an alternative program. The superintendent or superintendent's designee shall establish a specific date or time within which the parent or guardian shall be required to state in writing an agreement to participate in the alternative program. As a condition of participation in alternative programs which involve the payment of tuition or other similar expenses, the student, parent, or

guardian may be required, as a condition of such alternative program being available, to agree in writing to pay the tuition or other similar costs for such program in the event the expelled student fails to successfully complete the program.

The standards of student behavior and cooperation required of students in the regular programs of this school district shall also be required of expelled students throughout the entire time period of the alternative program. Additional standards may be established in each specific program and for each specific expelled student. If the expelled student fails to meet the required standards of student behavior or cooperation, the student may be further disciplined by disciplinary punishment up to and including expulsion for an additional period of time beyond that being served by the expelled student. Further, if the expelled student fails to meet any of the conditions of the learning program, the district may, by action of the superintendent or superintendent's designee, terminate the alternative program for the expelled student. A due process hearing substantially in compliance with the statutory provisions for suspension and expulsion of students shall be made available, unless waived by the parent or legal guardian.

Upon preapproval by the superintendent or the superintendent's designee, academic credit towards graduation or advancement in grade level shall be available to students participating in alternative programs for expelled students. The academic credits to be awarded shall be equal to the same academic credit a student in the school district's regular educational program would earn for completion of a similar educational program, as determined at the discretion of the superintendent or superintendent's designee. Such academic credits shall not be earned unless the expelled student has successfully completed the conditions of the alternative program, as determined by the teacher and the superintendent or superintendent's designee. The superintendent or superintendent's designee shall determine whether or to what extent such academic credits should be assigned to subject area or other specific graduation or advancement requirements. The achievement mark (i.e., grades) assigned for such academic credits shall not be available to the advantage of the expelled student for honor roll, class rank, or other academic honors or recognition.

#### B. EDUCATION PLAN PROGRAM:

If the administration elects not to provide an alternative education program outlined in subparagraph A. above, the following procedures shall be followed prior to expelling a student unless the expulsion was required by subsection (4) of the Neb. Rev. Stat. § 79-283; said procedures being as follows, to wit:

(1) A conference shall be called by a school administrator and held to assist the district in the development of a plan with the participation of a parent or a legal guardian, the student, a school representative, and a representative of either a community organization with a mission of assisting young people or a representative of an agency involved with juvenile justice.

(2) The plan shall be in writing and adopted by a school administrator and presented to the student and the parent or legal guardian.

(3) The plan shall:

- (a) Specify guidelines and consequences for behaviors which have been identified as preventing the student from achieving the desired benefits from the educational opportunities provided,
- (b) Identify educational objectives that must be achieved in order to receive credits toward graduation,
- (c) Specify the financial resources of the community programs available to meet both the educational and behavioral objects identified, and
- d) Require the student to attend monthly reviews in order to assess the student's progress toward meeting the specified goals and objectives.

The school district shall submit such plan on the form "Section 79-266(2) Plan" attached to this policy as Appendix "1".
